Pathways— your way to KC

Complete your degree with
our university partners in 2
years

Which program is right for you?

English Programs

Our English Programs provide you with the English language and academic literacy skills required for entry to an English speaking university.

Choose from a range of programs to suit your level: Academic English for Foundation or Diploma

Foundation Studies

Our preparation program is designed for successful SPM / O level / AEC graduates and provides pathways to Kings College diplomas or, for successful students, entry into the first year of any undergraduate degree at local Malaysian or overseas universities.

Foundation Studies is offered to local and international students, so you'll be surrounded by your peers and develop strong support networks

Diploma Programs

Our diplomas are ideal if you don't meet the academic or English language requirements for entry into a degree straight away.

Diplomas are delivered at a pace that suits you, with the option of our Standard or Accelerated programs, or you can combine your study with learning English and take the Extended pathway.

*The point where you enter into your degree program, you can choose one of many Kings College university partners to continue your studies depending on your course

Partners

University of the West of Scotland aims to have a transformational influence on the economic, social and cultural development of the west of Scotland and beyond.

UWS is placed by Times Higher Education in the top 600 universities in their 2020 World University Rankings and in the top 150 in THE's Young University Rankings 2019.

Curtin University in Perth has ties with 90 exchange universities in 20 countries. The University comprises five main faculties with over 95 specialists centres. It had a Sydney campus from 2005 to 2016; on 17 September 2015, Curtin University Council made a decision to close its Sydney campus by early 2017.

Curtin University was established as Australia's first university of technology and is a member of Australian Technology Network (ATN). Curtin University is active in research in a range of academic and practical fields, including Resources and Energy (e.g., petroleum gas), Information and Communication, Health, Ageing and Well-being (Public Health), Communities and Changing Environments, Growth and Prosperity and Creative Writing.

Edinburgh Napier University, an ambitious and innovative university with strong links to industry. We create and support personalised learning opportunities to develop talent and solutions that really matter while delivering local research with global impact. We are double award winners of the prestigious Queen's Anniversary Prize which recognises the University for its internationally acclaimed research.

With around 19,500 students from more than 130 countries, we are one of the UK's largest universities. We are also the largest provider of higher education in Hong Kong and have further transnational education partnerships in China, India, Sri Lanka, Thailand, Singapore and Switzerland.

Partners

Edith Cowan University (ECU) provides the ideal learning environment for people who want to reach their potential.

Located in Western Australia, our industry-relevant teaching and research, supportive study environment and award-winning facilities enable ECU students to do more than just survive in this world – they thrive in it.

Central Queensland University (alternatively known as CQUniversity) is an Australian dual sector university based in central Queensland.

CQUniversity is the only Australian university with a campus presence in every mainland state. Its main campus is in Norman Gardens in Rockhampton, however, it also has campuses in Adelaide (Wayville), Brisbane, Bundaberg (Branyan), Cairns, Emerald, Gladstone (South Gladstone and Callemondah), Mackay (central business district and Ooralea), Melbourne, Noosa, Perth, Rockhampton City, Sydney and Townsville. CQUniversity also has delivery sites to support distance education in Biloela, Broome, Busselton, Charters Towers, Karratha and Yeppoon, and partners with university centres in Cooma, Geraldton and Port Pirie.

The University of Gloucestershire is a public university based in Gloucestershire, England. It is located over three campuses, two in Cheltenham and one in Gloucester, namely Francis Close Hall, The Park, Oxstalls and The Centre for Art and Photography being near to Francis Close Hall.

The university is the recent successor of a large number of merged, name-changed and reformed institutions of further and higher education. Its history spans nearly two centuries. It originates from the merger of two distinct strands of educational provision in Gloucestershire being that provided by Local Government and that founded by the Anglican Church.
